1. The proposal submission due date scheduled for Friday, November 6, 2026 at 2:00 PM Pacific Time has not changed.

2. Questions received by Friday October 23, 2026:
    a. *What portion of the expected interim draws does the Airport anticipate being tax-exempt versus taxable?*
        i. The Airport currently expects that all or a vast majority of draws will be made on a tax-exempt basis (either AMT or Non-AMT) but wants to maintain the flexibility to make taxable draws if a need arises.
